Hi Barbara and Justin,

Attached is FERC's NOI (dated 11/04/2014) to prepare an EIS for the Rover Pipeline Project (formerly ET Rover Pipeline Project)(MI, OH, WV, PA). Our scoping comments are due to FERC by 12/18/2014. Please email me any scoping comments R3 and OFA would like me to include in EPA's scoping comment letter **by COB 12/02/2014**. If you will not be providing any comments please let me know that as well. Unless HQ advises otherwise, R5 will then prepare the draft scoping comment letter for your review/approval/changes.

Please call me if you have any questions and/or wish to discuss this project or potential comments for the letter.

Thank you,

Virginia Laszewski
